Neonatal Resuscitation Program (NRP) Renewal Course

Neonatal resuscitation program (NRP) is an evidence-based simulation training to improve the resuscitation of the newborn. The causes, prevention, and management of mild to severe neonatal asphyxia are carefully explained so that health professionals could develop optimal knowledge and skill in resuscitation. This is the first American Academy of Pediatrics (AAP) accredited NRP courses outside US.

Topics included: Use of resuscitation bag, mask, neo Puff and Oxygen blender.
Endotracheal intubation and Laryngeal Mask Airway (LMA) insertion
Medication and Umbilicus Venous Catheterization (UVC)
Resuscitation of baby born preterm
Simulation Scenarios
Team dynamics in neonatal resuscitation.

Teaching team: Neonatologists, Pediatric Nurses and Midwives.

Target participant: Doctor and nurses

Length: Half day (0900 - 1315)

Venue: Accident & Emergency Training Centre, 3/F Tang Shiu Kin Hospital, Wan Chai, Hong Kong.

CNE / CNE: available (various between college)

Language: Cantonese, English video, textbook

Certificate: American Academy of Pediatrics NRP completion card (valid for 2 years)

Course fee: \$1000 (included one online exam code) / Free for doctors in HA paediatric departments.

Assessment:

Written: Pre-course online exam (MCQ, divided into 9 lessons, passing marks 80% of each lesson)

Practical: As a leader to lead a neonatal resuscitation (textbook check list p.301)

Registration:

Please mail the application form with Cheque (\$1000), payable to "Hospital Authority"

Address:

Finance Department, 4/F Ruttonjee Hospital, 266 Queen's Road East, Wan Chai, Hong Kong

If no SMS is received **2 weeks after the submission**, please contact us.

In order to ensure multi-professional input, the enrollment is on a semi first come first serve basis, it will

1. Divide into 5 groups: Paediatricians; Pediatric nurse; Midwives; A&E and Others.
2. Further divide into different hospital (The hospital with delivery room or NICU will have priority).

Neonatal Resuscitation Program (NRP) Renewal Course

Renewal Course Agenda:

Time	Duration	Content	Location
0900 - 0915	15	Sign in – Submit online exam cert and sign confidentiality agreements and photo consent forms	Lecture Room 1
Divide into 4 groups with 5 students each for Performance Skills Stations			
0915 - 0925	10	Room familiarization and Equipment check	Practical Rooms 1-5, 8
0925 - 0940	15	Lesson 3: PPV	
0940 - 1005	25	Lesson 5: Intubation (ETT and LMA)	
1005 - 1020	15	Lesson 6: Medication Administration (UVC)	
1020 - 1030	10	Lesson 8: Preterm (ELBW)	
1030 - 1040	10	Break	
1040 - 1050	10	Simulation 1	Practical Rooms 1-5, 8
1050 - 1110	20	Debriefing 1	
1110 - 1120	10	Simulation 2	
1120 - 1140	20	Debriefing 2	
1140 - 1150	10	Simulation 3	
1150 - 1210	20	Debriefing 3	Practical Rooms 1-5, 8
1210 - 1220	10	Simulation 4	
1220 - 1240	20	Debriefing 4	
1240 - 1250	10	Simulation 5	
1250 - 1310	20	Debriefing 5	
1310 - 1315	5	Summary, evaluation, certificate presentation, group photo taking	Lecture Room 1
