

## **Mr Peter LEE**

K Kepujian, PPA(G)

Deputy Director, Standards and Quality Improvement Division, Healthcare Performance Group  
Deputy Director, Organisational Excellence, Corporate Human Resource Division  
Ministry of Health, Singapore

Peter manages a S\$7 million Ministry's Healthcare Quality Improvement and Innovation Fund to support innovative ideas by the healthcare institutions to improve the standards and quality of patient care in the healthcare ecosystem. He is constantly on the look out for creative projects to be scaled up for nation-wide implementation to promote evidence based best practices. Peter holds a concurrent appointment to champion the Ministry's Organisational Excellence and Development initiatives. He serves as a member of the International Society for Quality Improvement in Healthcare annual conference International Review Panel since 2007 and also Chairs the Asia Hospital Management Award – Departmental Service Improvement Project Judging Panel since 2008. He has been speaking at various international forum on quality improvement, patient safety and organizational development since assuming the portfolio in 2005.

Prior to his current stint, Peter had held appointments in various departments in the Ministry, managing the annual healthcare budget and coordinated casemix implementation for the public healthcare sector in Singapore. He was awarded a National Commendation Medal for his contribution in tackling SARS in 2003 and a National Day award for his exemplary public service in 2010.

Peter is actively involved in community service and holds an external appointment as Deputy Registrar of Marriage with the Registry of Marriage, Singapore.
