

Colour Coding System for Easy Consumable Requisition and Equipment Maintenance Referring System

**Fong HC, Chik HM, Ho H, Lo ST
Acute Integrated Medical Services, RHTSK**

**Fong Hau Chung
APN (Med), RHTSK**

Background

- ▣ **>350 consumable items**
(ERP, JOS, CSSD, Supplies Dept . . .)
- ▣ **~100 medical & non- medical equipment**
(Hospital Maintenance Dept., IT, CMS, EMSD or Contract-out Vendors . . .)
- ▣ **↑ time & manpower**
up-keeping, locating, identifying, ordering & sending items

Objectives

- ▣ To standardize the workflow
- ▣ To develop flowcharts and working instructions
- ▣ To save time

Methodology

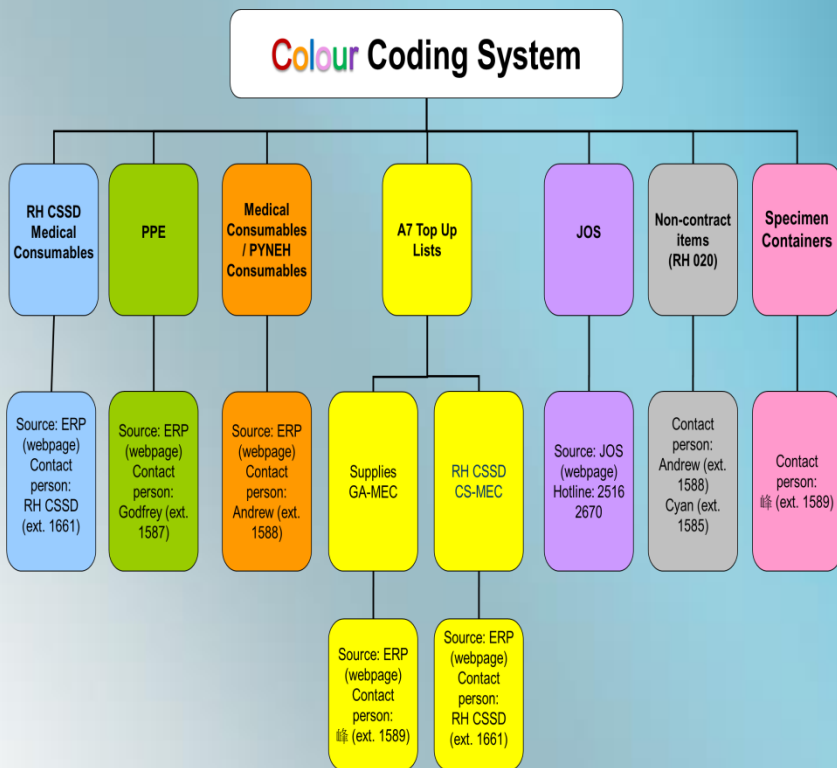

Focus-**A**nalyze-**D**evelop-**E**xecute (F.A.D.E)

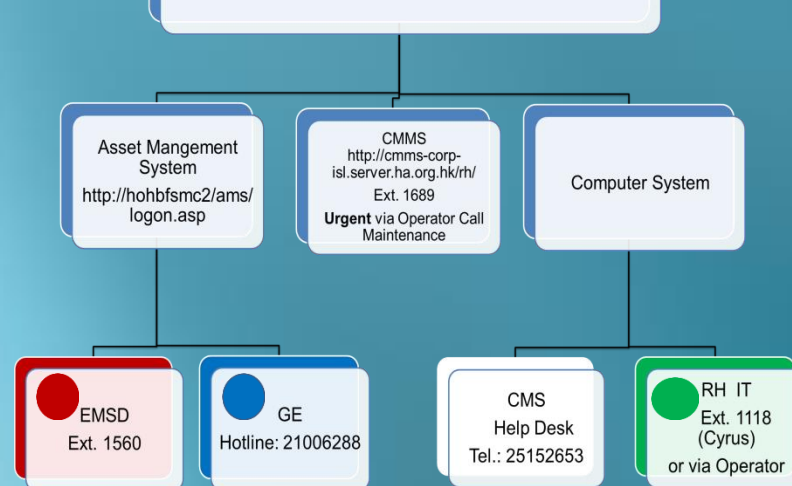

Consumables

Equipment

Colour Coding System

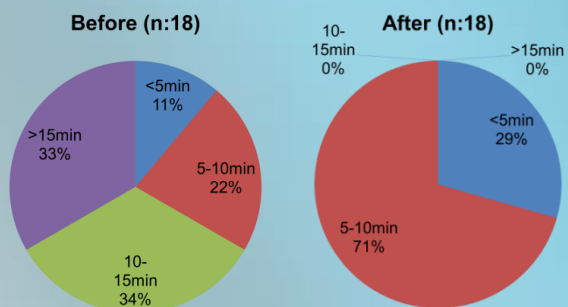

Maintenance System in RHTSK

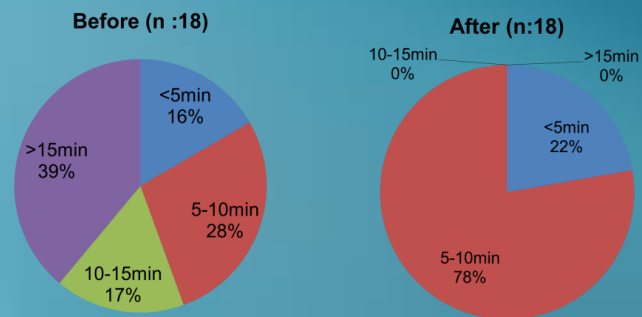

Time for Consumable Ordering Process

Time for Equipment Referring Process

Conclusions

- ▣ Get positive feed back from staff
- ▣ Reduce time significantly
- ▣ Facilitate work processes
- ▣ Enhance safe and quality healthcare
