2017 Hospital Authority Convention 醫院管理局研討大會

Tuesday 16 May

08:15 - 09:00	Registration											
	Convention Hall											
09:00-10:15		Opening Ceremony *										
10:15-10:45		Opening Remarks and Keynote Address * Tea Break										
10:15-10:45	Speed Presentation (Level 2)											
10:45-12:00	P1	Convention Hall		rneatre i *	Theatre 2 SS1	M1	Roo	Room 221				
			Special Session 1 Mainland China Healthcare		Masterclass 1 Diabetic Eye Disease: What's New?							
	Quality Health Service - N	lational Health Service	(NHS) England		Healthcare in Mainland China	Diabetic	Diabetic and the Eye: An Introduction					
	Implementing Patient-cent Forward Building upon on		nity to Stop, Reflect an	d Review, and Move	Mainiand China	Cost Effectiveness Analysis of the Current Screening Protocol in Detecting Diabetic Macular Edema (DME)			Growing Service Demands			
						Prevention Beyond						
						DME		ent of Diabetic Retinopathy and E Eye Disease: Recent Advances				
12:00-13:15					Lunch				Duration			
13:15-14:30	Convention Hall A	Convention Hall B P2 *	Convention Hall C S1	Theatre 1 S2	Theatre 2 SS2	PS1	Room 221	Room 423 & 424	Room 421			
	Masterclass 2 Cerebral Revascularisation for Stroke Prevention	Plenary Session II Elderly Services	Symposium 1 Mental Health	Symposium 2 Tele-medicine	Special Session 2 Simulation in Clinical Training and Assessment	P	arallel Session 1 g Services at the Front oor of the Hospital	Masterclass 3 Recent Advances in Management of Distal Radius Fracture	Service Enhancement Presentation 2			
	Mechanical Thrombectomy in Acute Ischaemic Stroke – from Science to Service	How to Tackle the Challenges of the Ageing Population	Social Justice for Persons with Mental Illness	The Application of Tele-medicine in the Virtual Doctor Programme	Use of Simulation in Disaster Medicine Training	Program Nurses S	Front Door me – How Geriatric Strive to Make the Best Elderly Care	Strategies in Fragility Distal Radius Fracture Will Casting be Enough for Distal	Staff Engagement and Empowerment			
	Cerebral Revascularisation:	Hospital Design in the Context of Ageing Population	Stigma/Anti-stigma Campaigning	Tele-medicine Consultation in	The Art and Science of Debriefing in	Extended Roles of Stroke Nurse to Streamline Acute and Hyperacute Stroke Care Service Development on Enhancement of Emergency Nursing Service Ambulatory Management on Try off Urethral Catheter – Patient Discharged from Accident and Emergency Department and Ward		Radius Fracture? Outcome with Advanced Technique of Fracture Fixation				
	Microsurgical Approach on Stroke Prevention Cerebral			Castle Peak Hospital for Stable Psychiatric Outpatients in	Healthcare Learning Teaching Crew			Soft Tissue Complication Associated with Distal Radius				
	Revascularisation by Best Medical Treatment			Custody Application of	Resource Management			Fracture Impact of Distal Radius Fracture				
				Tele-medicine in Rehabilitation and Chronic Disease	with Clinical Simulation: We Learned More			Rehabilitation on Patient and Hospital Manage the Functional Outcome				
	Convention Hall A	Convention Hall B	Convention Hall C	Management Theatre 1	Than We Taught Theatre 2			Following Distal Radius Fracture Room 423 & 424	Room 421			
14:30-15:45	M4	P3 *	S3	PS2		Room 221 PS3			F3			
	Masterclass 4 Multi-disciplinary Management of Neurometabolic Innovation and Crisis		00	P52	SS3	FOU		M5	FO			
	Multi-disciplinary Management of	Out-of-the-box Management –	Symposium 3 Rehabilitation in the Community	Parallel Session 2 Healthcare Financing	Special Session 3 Preserve Fertility		arallel Session 3 Nurse Clinic	M5 Masterclass 5 Metabolic and Bariatric Surgery in Hong Kong (HK)	Service Enhancement Presentation 3
