

08:15 – 09:00	Registration						
	Convention Hall						
	Opening Ceremony *						
09:00 – 10:15	Opening Remarks and Keynote Address *						
	Tea						
10:15 – 10:45	Speed Presentation (Level 2)						
	Convention Hall	Theatre 1	Theatre 2	Room 221	Room 421		
10:45 – 12:00	P1 Plenary Session I Chronic Disease Management		SS1 Special Session 1 Healthcare in Mainland China	M1 Masterclass 1 Multidisciplinary Management of Aortic Nodal Metastasis in Endometrial Cancer	F1 Service Enhancement Presentation 1		
	Collaboration among Healthcare Workers and between Social and Health Sectors in the UK Healthcare System in Sweden: Integrated Health Service and People-centred Approach		Beijing 2035 – towards a New Healthcare System Health Informatisation in Guangdong Province	Significance of Nodal Status and Dilemma in Aortic Node Dissection MR and PET/MR Imaging of Endometrial Carcinoma Role of Pathologist in Lymph Node Assessment for Patients with Endometrial Cancer The Influence of Para-aortic Nodal Status on Adjuvant Therapy for Endometrial Carcinoma Discussion Forum	Better Manage Growing Demands		
12:00 – 13:15	Lunch						
	Convention Hall A	Convention Hall B	Convention Hall C	Theatre 1	Theatre 2	Room 221	Room 421
13:15 – 14:30	M2 Masterclass 2 Advances in Vascular Intervention	P2 Plenary Session II Committed Staff, Quality Service	S1 Symposium 1 Why Patient Blood Management is Important in Modern Healthcare System?	PS1 Parallel Session 1 Patient Monitoring – Inpatient, Outpatient and Home Monitoring	SS2 Special Session 2 Precision Cancer Management	M3 Masterclass 3 Contemporary Nursing	F2 Service Enhancement Presentation 2
	Endovenous Therapy for Varicose Vein Advances in Multidisciplinary Management of Vascular Anomalies: Surgeon's Perspective Advances in Multidisciplinary Management of Vascular Anomalies: Radiologist's Perspective Beyond the Ascending Aorta, What are We Doing Now? Total Arch Replacement and Frozen Elephant Trunk Beyond the Ascending Aorta, What are We Doing Now? Traditional or Hybrid?	Developing First Class Civil Service Bridging the Gap between Generations	Patient Blood Management – Why is There an Urgent Need for Change? Patient Blood Management – The Future in Hong Kong	Integrating Sensors and Wearables into Mainstream of Healthcare: Opportunities, Issues and Considerations Internet of Things Applications and Distance Diagnosis for Healthcare and Wellness Management Building the HA Patient App	Precision Medicine and an <i>In Vitro</i> Drug Screening – Platform for Treatment of Leukaemia Genomic Study on Molecular Pathways of Cancer Development and Its Relevance to Cancer Precision Medicine	The Journey to Advanced Nursing Practice Skin-to-skin Contact for All Newborns: More than for Breastfeeding Initiation The Role of School Nursing to Foster Adolescent Health	Staff Engagement and Empowerment
14:30 – 15:45	S2 Symposium 2 Acute Care for Frail Older People	P3 Plenary Session III Teamwork	PS2 Parallel Session 2 Can Fin Tech Help?	S3 Symposium 3 Staff Engagement and Leadership	SS3 Special Session 3 Antimicrobial Resistance (AMR)	M4 Masterclass 4 Advances in Trauma Management	F3 Service Enhancement Presentation 3
	International Experience in Managing the Fastest Growing Population in Acute Care: Complex, Frail Older Patients Interdisciplinary Care for Frail Older People in Acute Care Setting in the UK	The Power of One, the Power of Many: Bring Change to Health and Healthcare Making Quality Improvement Initiatives Sustainable	Application of Fin Tech: Life is Easy with E-Wallet Application of Fin Tech in Hospital Setting	Committed Staff, Professional Service Staff Engagement in Healthcare: A Reflection Leadership: How to Build Trust and Commitment	Innovations in Diagnostics for the Control of AMR One Health Approach to the Control of AMR in Hong Kong AMR Control in Long-term Care Facilities – The Critical Links	Joy and Sorrow in Traumatology Training Updates of Definitive Management of Pelvic Fractures Current Concepts on Neurotrauma and Neurocritical Care Updates on Interventional Radiology in Trauma Management	Clinical Safety and Quality Service I
15:45 – 16:15	Tea						
	Speed Presentation (Level 2)						
16:15 – 17:30	M5 Masterclass 5 Orthopaedic Sports Injuries Revisit	P4 Plenary Session IV Living with the Chronic – What Could be Done at Primary Care	M6 Masterclass 6 Enhancing Medical-social Collaboration for Elderly Patients	PS3 Parallel Session 3 Clinical Application of Hyperbaric Oxygen Therapy (HBOT)	M7 Masterclass 7 Patient Blood Management – from Overseas to Local Practices	PS4 Parallel Session 4 Collaborative Service Programmes	F4 Service Enhancement Presentation 4
	Common Sports Injury of the Knee and the Shoulder: The Facts and the Myths Ankle Sprain is Common but Not Always Simple Rehabilitation Journey in Public Hospitals: from Injury to Return to Play Musculoskeletal Problems Due to Overuse, Overtraining and Overconfidence	The Challenge of Managing Multiple Chronic Conditions How Can We Respond to the Global Challenge of Dementia?	What Should the Care for Older Persons Look Like by 2028? Ortho-geriatrics and Social Collaboration in the Medical-social Collaboration Programme Medical-social Collaboration for Dementia Patients	The Clinical Role of Hyperbaric Oxygen Therapy in the 21 st Century Critical Issues for ICU Patients for HBO Treatment HBO Cases Managed in Stonecutters Island	Patient Blood Management – Results from Australia and Leading Centres around the World Patient Blood Management – Local Perspectives Transfusion Alternatives	Transdisciplinary Seating and Wheelchair Service in Prince of Wales Hospital - A 20-year Collaboration of University, HA and Corporate Community Support NTEC Pressure Injury Prevention Programme: A 3-year Collaboration Programme between Occupational Therapists and Nurses in Prince of Wales Hospital Physiotherapy Restoration Rehabilitation Programme for Lower Limb Fracture and Arthroplasty on Weekends and Public Holidays - Local Experience Sharing A Stepped-care Model with the Support of Psychology Assistant in Clinical Psychological Service	Clinical Safety and Quality Service II

* Simultaneous Interpretation: English/Putonghua 即時傳譯：英文/普通話

Session conducted in Cantonese 此節以廣東話進行

Information as at 20 March 2018. Please check the latest directory at the venue.
