

Article circulating in internet

Recently an article, purportedly written by Dr.C.C. Tong of Queen Elizabeth Hospital, has been circulating in the internet about “**Stay away from Cancer**” Queen Elizabeth Hospital hereby declares that whilst Dr Tong is a doctor of our Department of Clinical Oncology, the article was not written by him and content of the article does not represent any opinions from him or from our hospital.

Thank you very much for your attention.

就近日網上流傳一篇疑似伊利沙伯醫院臨床腫瘤科唐志聰醫生撰寫「永遠離開癌症」之文章，本院現藉此聲明，有關文章並非唐醫生所撰寫，也並不代表本院及唐醫生的意見。

謝謝！
