

Personal Information Collection Statement

Please read this notice before you provide any personal data to us.

1. The Hospital Authority (HA) may ask you to provide personal data when you request for data from us (Data Request). The personal data you provide will be used by the HA for the purpose of vetting your request for access to the clinical data held by the HA, improving our data sharing services by soliciting feedback from you and all other purposes directly related to the Data Request and where permitted by law.
2. When you provide personal data to us, please make sure that the personal data provided is accurate and complete. If you fail to provide us with the personal data required or if the data provided is inaccurate or incomplete, we may not be able to process your application and provide the services so requested.
3. You should note that your personal data collected in the above circumstances may be made available to appropriate persons:
 - (a) in the HA who require it for matters related to the Data Request or the purposes you are required to provide data;
 - (b) in any government departments, agencies, authorities, regulators etc. when disclosure is required or permitted by law, is necessary in the public interest or enables verification of your identity/status for purposes related to the Data Request or other directly related purposes.
4. The HA will obtain your consent before using your personal data for any other purposes.
5. You have the right to request access to and/or correction of your personal data held by the HA in accordance with the Personal Data (Privacy) Ordinance. Please contact the following person:
