

Advanced Training in Mental Health for Frontline Mental Health Professionals: Management of Self-harm Behaviour in Youth in the Community

Speaker

Dr. Winifred MARK (青山醫院臨床心理學家麥允宜)
Clinical Psychologist, Castle Peak Hospital

Course Description

Self-harm, operationalised as intentional self-inflicted injury without suicidal intent in the current webinar, is a signal of distress requiring sensitive handling by frontline mental health professionals.

Relevant skills set in identification, assessment and management of self-harm in youth in the community will be covered in this webinar to facilitate care provision to young people who present with self-harm.
