### **Function and Specialization**

KPMG Markets, Global Head of Health (from October 2010)

### **Education, Licenses & Certifications**

BA (Hons) DSci (Hon)

DUni (Hon)

Senior Associate Kings Fund and Senior Fellow, Health Service Management,  
University of Birmingham

### **Background**

- Mark joined KPMG in October 2009 as Head of Health for the UK & Europe following 20 years of distinguished international health service experience across a broad range of leadership positions. In October 2010 Mark was appointed KPMG's Global Head of Health

### **Professional and Industry Experience**

- Having joined the NHS Management Training Scheme in 1989, Mark was seconded into the civil service fast stream at the Department of Health before joining St Mary's, London. He subsequently became a Board director at Central Middlesex Hospital before joining University Hospital Birmingham, becoming its chief executive in 2000. In 2006, Mark became the chief executive of South Central Strategic Health Authority and was invited to become the first ever Director General for Commissioning & System Management at the Dept of Health (DH) in 2007.

### **Representative Health Industry Experience**

- Mark has developed operational, strategic and policy expertise at every level of the NHS and DH and sat on the NHS Management Board. Through his career Mark has:
  - Led radical service and estate strategies (which produced the

- first ever ambulatory care and diagnostic centre)
- Led a clinically high performing 3 star NHS trust and developed innovative strategies with strong clinical leadership
  - Helped develop national Foundation Trust policy and secured first wave status for University Hospital Birmingham
  - Helped develop the NHS Plan and reform agenda for the NHS
  - Signed the second largest PFI hospital in the UK, taking the process from outline business case to contract signature
  - Achieved substantial financial turnaround within NHS South Central and secured financial balance
  - Achieved significant organisational change, reducing 27 PCTs to 9 within NHS South Central
  - Developed world class commissioning, system management and the creation of the Competition and Co-operation Panel
  - Led policy on primary care reform, improvements in GP access, public and patient engagement, integrated care and community services
  - Developed DH innovation policy and sizeable innovation funds as part of Lord Darzi's Next Stage Review

#### **Representative Clients**

- Strong track record of working with SHAs, PCTs, NHS Foundation trusts, NHS trusts, third and private sector.
