

**Ms. Eva Liu** is a registered nurse and registered midwife who has been in the nursing profession for 30 years. After receiving her nursing degree, Ms. Liu continued her studies and earned the Master degree in Health Administration at the University of New South Wales. Since 1995, she gained experience in handling complaints and medico-legal cases as a Senior Nurse Manager. Subsequently, she also took up the role of Cluster Coordinator in Risk Management in Kowloon Central Cluster. Ms. Liu has much experience in managing patients and their carers in particular during difficult situations. In 2009, she actively participated in the production of the book 拆走醫院的炸彈, and promoted the partnership relation between patients and health care staff in the hospital. In 2009, Ms. Liu took up the post of General Manager (Nursing) of Queen Elizabeth Hospital and Cluster General Manager (Nursing) of Kowloon Central Cluster. She actively facilitates the professional development of the nurses and develops the nursing services. She produced a book 最愛護士 in 2010 which described the history and development of the nursing profession in Hong Kong. Ms. Liu is also a member of the Sigma Theta Tau International, Honor Society of Nursing. In recent two years, Ms. Liu also participates in the development of patient support and community engagement and facilitates the establishment of the Public Advisory Group in Queen Elizabeth Hospital.
