Five Big Reasons Why You Should Attend This Event!

1. Connect with international key players from leading health systems
2. Build and maintain relationships with fellow forum delegates in a relaxed yet informative environment during the event
3. Learn what's happening now in Australasian Medical Leadership, and show your commitment to the sector and support the community
4. Join in formal and informal discussions around this year's forum theme: Value through Medical Leadership
5. Join the delegate tour to Prince of Wales Hospital during the morning of 21 May 2015
