## 醫院簡介

### Introduction

北區醫院是一間急症全科醫院，於1998年分階段啟用。作為首間由醫院管理局全盤籌劃和興建的醫院。北區醫院以「盡心服務、悉心關懷、共創樂園」為宗旨，為新界東醫院聯網地區居民提供全面及專業醫療服務，包括約700張住院病床、24小時急症室、專科門診、日間醫療護理及社康服務等。北區醫院擴建計劃的籌備工作於2019年開展，而主要建築工程於2024年展開，目標約6年半內完成工程，整項擴建計劃會額外增加1,500張病床。

The North District Hospital (NDH) is an acute general hospital commencing services in phases in 1998. Being the first hospital completely planned and built by the Hospital Authority, NDH adheres to the motto "We Serve, We Care, We Create a Happy Hospital" to provide the population of the New Territories East Cluster with comprehensive and professional healthcare services, including around 700 inpatient beds, a 24-hour Accident and Emergency Department, specialist out-patient services, ambulatory care services and community health services. The preparatory works for the NDH expansion project commenced in 2019. The project is expected to be completed within approximately six and a half years from 2024, when the main works begin. The number of beds will be added by 1,500 in addition.
