What's new on MTMP for staff

Policy, guideline

discussion zone for taskforce member

4 Designated Clinic

2 Special Assessment Centres

奶類病人到診流程

- (1) 首先到約期處登記
- (2) 到大堂等候, 安排到觀察房度高磅重 (如有需要者要留小便)
- (3) 等候安排做超聲波檢查及安排抽血
- (4) 驗尿結果及問卷請交回抽血房
- (5) 所有病人將不會安排覆診
- (6) 化驗結果將會在一至兩星期後以 書信 / 電話通知
- (7) 如 3 星期後仍未有通知, 可致電 TEL : 2632 5447 查詢

A massive and most efficient operation by staff of radiology department

- performing ultrasound scanning for 400-500 cases per day during the first 2 weekends

Blood taking
a painful experience
for the young children
was minimised by very
skillful staff

Support and Appreciation

Visit by Management

A time to thank the staff - a get together to celebrate a job well done

A time to share experience and views - NTEC Hosp Blog on MTMP
