Background & Aims

"Friends of Diabetes and Endocrine Centre" is a patient support group for people with diabetes, organized by Diabetes and Endocrine Centre and Health Resource Centre of Prince of Wales Hospital (PWH).

The group aims to unite diabetic patients and their family members, to develop a peer support network, facilitate learning, sharing and caring among peers, ultimately to promote a positive and enthusiastic attitude towards diabetes care.

Mission:

- Develop a support network for people with diabetes and their family members
- Improve members understanding on diabetes and self-care management
- Facilitate psychosocial support among members and carers

Membership criterion:

- People with diabetes who are currently followed up at PWH out-patient clinic

Membership Benefits:

- Welcome gift
- Newsletter
- Various activities, including exercise class, parties, group sharing, etc.
- Lectures / seminars
- Enjoy a discount on special events.

Membership responsibilities:

- Support and promote the mission of the group

Membership is Free of Charge

Professional Honorary Advisor:

- Prof. Juliana Chan, Endocrinologist, CUHK
- Prof. Ronald Ma, Endocrinologist, CUHK
- Dr. Risa Ozaki, Endocrinologist, PWH
- Ms. Loo Kit Man, Nurse Consultant (Diabetes), PWH
- Ms. Phyllis Yau, Registered Dietitian, PWH
- Ms. Fanny Fong, Registered Social Worker, PWH
