PRINCE OF WALES HOSPITAL

About the Hospital

The Prince of Wales Hospital is a regional acute hospital under the Hospital Authority. We also serve as a teaching hospital of the Chinese University of Hong Kong's Faculty of Medicine. Since our opening in 1984, we have been providing the community with comprehensive and professional healthcare services.

The Hospital's motto is 'We Care. We Serve.' We partner closely with the Chinese University, other healthcare institutions and the community to provide quality comprehensive patient care, nurture medical professionals and spearhead medical research.
