

# **Progress update on Queen Mary Hospital Redevelopment, Phase 1**

**Southern District Council Meeting  
16 July 2015  
Paper 64/2015**

# Agenda

- **Report on progress update**
  - **Stage 1 – Senior Staff Quarters (SSQ) Conversion Works**
  - **Stage 2 – Preparatory Works for Construction of New Block**

## Stage 1

# Senior Staff Quarters (SSQ) Conversion Works Progress update

# 1. Senior Staff Quarters (SSQ) Conversion Works

- SSQ conversion and associated works are generally on schedule.

Overall view of SSQ

Construction of New Extension Block

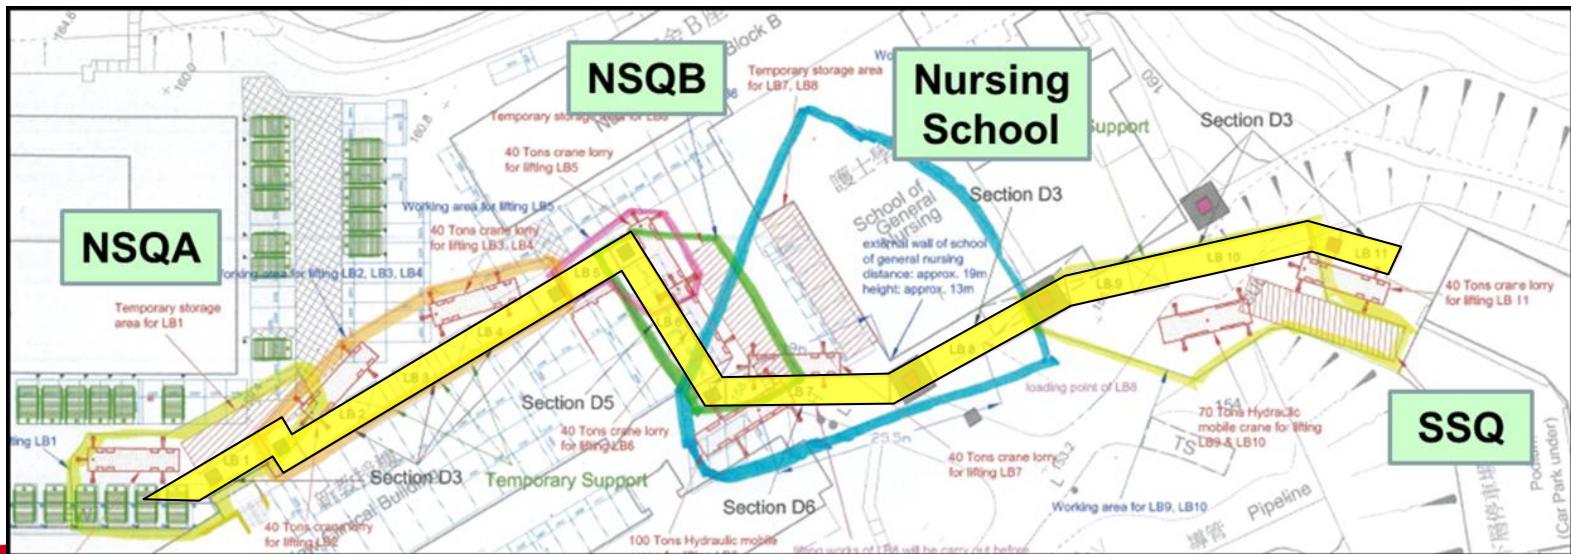

Underground utility diversion works

## 2. Link Bridge connecting the converted SSQ with the hospital compound

- To minimize disruption to the busy daytime operation of the hospital, to carry out part of the construction works from **19:00 to 07:00 hours**.
- **Construction Noise Permit** valid until end of October was obtained.
- Hospital has notified the residents of the private residential complexes in the neighbourhood, explaining to them the need.

The colour indicated the construction works of link bridge  
 The new link bridge

# 3. Construction of the Link Bridge footing

- A number of car parking spaces have to be temporarily suspended from a few weeks to up to 6 months.
- Some or even all visitor car parking spaces in Block S might be suspended temporarily.
- Visitors are encouraged to use or public transportations or the parking spaces near QMH.
- Information of the public transport routes is available on QMH internet website: [http://www3.ha.org.hk/qmh/transport/transportation\\_mean2.asp](http://www3.ha.org.hk/qmh/transport/transportation_mean2.asp)
