

律敦治醫院的院內導航

已上載在HA Go手機應用程式並正式啟用。

The navigation system "Location Map" for Ruttonjee Hospital has been uploaded to the HA Go mobile application and is now available for use.

病人及訪客可透過院內導航搜尋醫院內不同部門、病房及設施的位置，跟著指示到達目的地。

Patients and visitors can use the Location Map to search for the locations of various departments, wards, and facilities within the hospital, and follow the instruction to reach the destination.

1. 點選「查看所有服務」或點選「院內導航」直接前往「院內導航」頁面
Select "View All Services" Or select "Location Map"

2. 向下捲動至「有用資訊」，點選「院內導航」
Scroll down to "Useful Information" and select "Location Map"

3. 選擇「律敦治醫院」，再點選「院內導航」
Select "Ruttonjee Hospital" and "Location Map"

4. 選擇起點及目的地，選擇後路線便會自動產生
Select a Starting Point and Destination and the route will be displayed
