RESPONSIBILITIES OF THE MANAGEMENT

The Management are responsible for preparing the attached income and expenditure account in accordance with the basis of preparation set out in notes 4 and 5, setting out the gross subscriptions raised from the Event and the expenses incurred in connection with the Event, in order to comply with the conditions stated in Public Subscription Permit issued by the SWD. THE MANAGEMENT OF SHATIN HOSPITAL ("the Permittee")**

Public Subscription Permit No.: 2018/253/1

PRACTITIONER'S RESPONSIBILITIES

Our responsibility is to form a conclusion on the attached income and expenditure account, based on our engagement, and to report our conclusion to you.

We conducted our engagement in accordance with Hong Kong Standard on Assurance Engagements 3000 (Revised), Assurance Engagements Other Than Audits or Reviews of Historical Financial Information and with reference to Practice Note 850 (Revised), Reporting on Flag days and General Charitable Fund-raising Activities Covered by Public Subscription Permits issued by the Social Welfare Department issued by the HKICPA. We have planned and performed our work to obtain limited assurance for giving our conclusion below.

The work undertaken in connection with this engagement is less in scope than an audit conducted in accordance with Hong Kong Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Our engagement included carrying out limited procedures for obtaining sufficient appropriate evidence to be able to draw a conclusion, such as inquiries primarily of persons responsible for financial and accounting matters and other procedures we considered necessary. The procedures performed in a limited assurance engagement vary in nature and timing from, and are less in extent than for, a reasonable assurance engagement. Consequently, the level of assurance obtained in a limited assurance engagement is substantially lower than the assurance that would have been obtained had a reasonable assurance engagement been performed.

INHERENT LIMITATIONS

Due to the nature of cash receipts and expenses relating to the Event, it was not practicable for us to determine whether the income and expenditure account and the books and records of the Permittee include all transactions relating to the Event. It was impracticable for us to quantify the potential impact of this on the income and expenditure account. Accordingly, our report relates solely in the income and expenditure account prepared from transactions that have been recorded in the Permittee's books and records.
