# 屯門醫院 手術室大樓擴建計劃通訊

## 新手術室大樓部分樓層準備交接前執整 九樓產科最快今年第四季投入服務

屯門醫院新手術室大樓部分樓層內部工程已接近完成，其中產科會最先「入伙」。產科部門將位處新大樓的九樓，讓我們帶大家率先走進大樓九樓，一覽最新的工程情況。

最先入伙的產科，位於九樓，部門同事早於今年一月已開始進行實地視察，上月再到工地為搬遷做好部署，了解設備的安裝及執整進度，盡快理順工作流程，讓產婦在更優良的環境享用服務。至於軟件方面，九樓的無線網絡鋪設已全部完成，醫療系統網絡亦已成功接通。

產房已安裝門牌。

產房內設有獨立洗手間。

新大樓已掛上醫院管理局標誌。

獨立洗手間內設淋浴設施。

產房內部寬敞，大部分房間均有窗，提高室內採光。

擺放病床的位置已安裝電力設備，包括「叫人鐘」。

## 部分樓層大檢閱

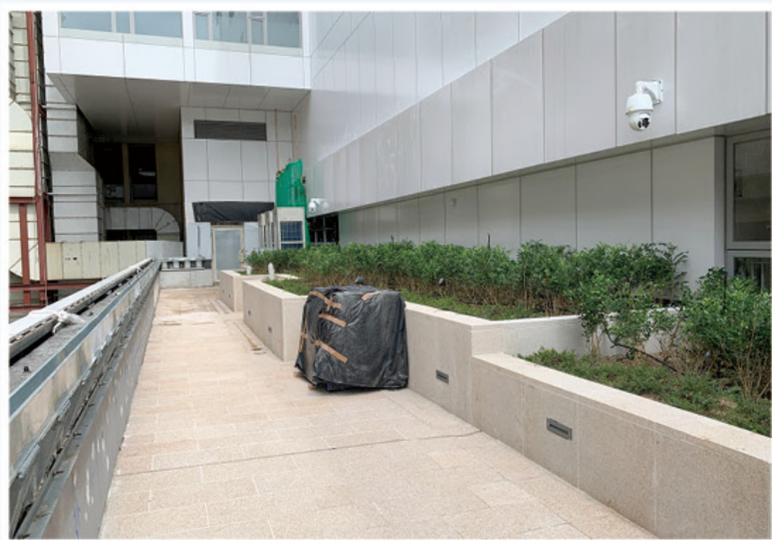

### 8樓 深切治療部

位於八樓的深切治療部，天花、牆板及地板工程已大致完成，正進行裝嵌傢具及儀器等工作，現階段主要著手機電安裝工程。

### 7樓 機房樓層的平台

整個擴建計劃包含不少綠化及環保概念，包括節省能源的照明系統、採光充足又可保持室內溫度的玻璃幕牆，同時利用有限空間綠化環境，七樓的綠化平台已種植了不少植物。

### 6樓 手術室

手術室正進行設備提升工程，內部組件、牆板、地板及天花已完工，部分組件亦已完成安裝。

# 進入工地至少須打3針 多措並舉同心抗疫

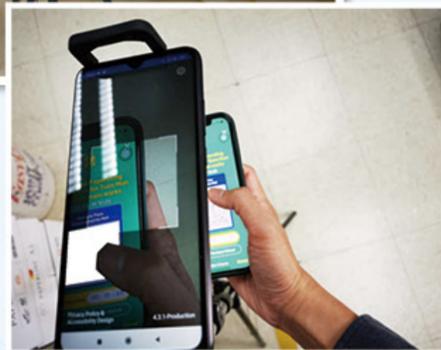

政府於5月31日起就全港市民實施第三階段「疫苗通行證」，工地亦跟從建造業議會更新工地「疫苗通行證」的安排，即從5月31日起，所有工友、工地人員及訪客均須已接種第三劑新冠疫苗才可進入工地（除非該工友接種第二劑疫苗後未滿六個月，或屬新型冠狀病毒病的康復者）。

每天上班，進入工地須量度體溫。

工友進入工地需掃描「安心出行」。

「安心出行」應用程式亦同樣於5月31日更新，以識別欲進入處所人士是否符合相關要求，如掃描「安心出行」後出現藍色二維碼，即表示工友已符合相關接種要求；如出現紅色警告圖案，即表示工友未能符合接種要求。

工地繼續嚴守早前一直實施的防疫措施，不敢鬆懈。工友每天進入工地前，均須量度體溫並進行紀錄；工地範圍內工友須正確戴好口罩，注意個人衛生、勤洗手，減少病毒傳播。

另外，因應雨季來臨，新手術室大樓的工地已加強防治蚊患工作，減少可導致蚊蟲滋生的環境，針對性地加強成蚊控制工作，包括用霧化處理噴灑滅蚊劑，進行密集式防蚊及滅蚊工作。

# Several Floors being prepped for takeover Obstetrics department to be put in service in the fourth quarter of 2022

The exterior wall constructions of the new Operation Theatre Extension Block in Tuen Mun Hospital is close to finish, and the interior works for several floors have almost completed, with the department of Obstetrics and Gynecology being the first to move into this new development.

The “First-to-move-in” Obstetrics and Gynecology Department is set to be located on the 9th floor. Colleagues from the department has begun on-site inspection since January this year. Last month, colleagues went to the construction site to further prepare for migration and to better understand the progress of the construction, to ensure the department can offer comfortable environment for patients. As for the aspect of software, the network layout installation works on the 9th has all been done, and the system network for electronic medical record is all set and well connected.

The Department of Obstetrics and Gynecology will be located on the 9th floor of the new Operation Theatre Extension Block building. Let us take you inside and be the first to catch a glimpse of the latest progress of the interior

development. The space in the delivery room is quite commodious and several rooms in the department have windows installed to increase indoor lighting and reduce senses of spatial confinement. Each room is equipped with individual bathroom and showering facilities. Furthermore, the placements of hospitals beds and the electronic equipment including the installation of nurse alerting system are all prepared and ready to use.
